In D2 we take rule breaking very seriously.

Our rules are there to ensure that members and guests alike can enjoy playing Call of Duty in a friendly, fun and fair environment.

We kick and ban many people from our server everyday and unfortunately this isnt always just guests! D2 Members are no different to guests and any D2 Member caught breaking the rules will face the same fate as a guest.

We want to publish this list to show our members and guests that being in D2 does not give you the right to break the rules.

Hall of Shame:THESE MEMBERS BROKE THE RULES, THE SAME RULES WE EXPECT GUESTS TO ABIDE TOO, THEY WERE REMOVED IN THE SAME MANNER WE TREAT A GUEST!!!!!!!
